PURPOSE

The question may be asked: "Just what is this conference?" The Northeast Woman to Woman Conference is a workshop weekend, special events of, by and for sober alcoholic women. Participation sessions are held on topics of particular concern to AA women-subjects and experiences that are rarely shared, although closely related to growth in sobriety. There's a heightened sense of kinship, unity and cooperative endeavors among women members.

WE ARE SELF SUPPORTING

This conference is self-supporting through the money paid for by registration fees, banquet/breakfast tickets, and donations. No funds from AA are used to pay for this event. Conferences are special events and require money, in addition to many months of planning and preparation. Our expenses include contracted costs for the meeting rooms, hotel facilities, food preparation and beverages, printing for registration forms, flyers, programs, postage, post office box rentals, and many other supplies to make this a successful weekend. Our registration fee and banquet/breakfast fees are kept as low as economically possible to meet our financial obligations to the hotel. Our contract to the hotel requires a guaranteed number of hotel rooms, banquet/breakfast sales. We must do our best to achieve our contractual commitments.
